

# EDGE#BEAM

## Technical Parameters

Item #	Voltage	Power	Luminous Flux /LM	Luminous Efficacy	Color Temp	Ra/CRI	Color Code
EB-2D-W70B	24	2.4	252	105	7000±500	79	70X

## Technical Drawing - Unit Inches (MM)

## Features

- 1, High quality 3030 light source.
- 2, Using DC24V as power supply, internal constant current circuit drive, single light as a cut section.
- 3, Equipped with 10\*25 optical lens.
- 4, One-piece molding process, waterproof grading as IP65.
- 5, The selection of 100W energy efficient power supply is more worrying and quality is guaranteed.

## Packaging Information
